In response to the species requirement, Applicants elect the following species in accordance with the requirements of the Office Action. This election is made with the understanding that upon allowance of a generic claim, Applicants will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim. the cited species. Applicants provisionally elect the species of "Species a" (FIGS. 1-13) which corresponds to claims 1-6.

The present election is made solely to comply with the Office Action and should not be construed as a surrender of any subject matter in the application. Applicants reserve the right to file divisional application(s) on the non-elected subject matter.

It is believed the application is in condition for immediate allowance, which action is earnestly solicited.

Applicants believe that additional fees are not required for consideration of the within response. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge Deposit Account No. **04-1105**.
